

We just received a space lift... We feel 18 again!

Rocket Direct Communications, Inc. has been named a "Fantastic 50" company by the Virginia Chamber of Commerce, ranking 18th overall and 10th in service.

This distinction comes six months after being selected as the local and regional winner of the 2007 Hampton Roads Chamber of Commerce Small Business of the Year.

The first 18 customers who call and mention "Fantastic 50" will save **18%** on their next order*. We could not have done this without you!
